ERBIL BUILD EXPO

DISCOVER THE POTENTIAL OF IRAQ

14th Building, Construction and Municipal Equipment Exhibition, the biggest construction fair in Middle East, will be opening doors on **21-24 May 2024** with support of the Kurdistan Regional Government, Ministry of Construction & Housing Ministry of Electricity, Ministry of Commerce, and other major institutions and ministries of Iraq.

ERBIL BUILD EXPO has established itself as Iraq's foremost and largest international construction fair, showcasing the latest industry innovations and trends. Beyond its reputation within the territory, this influential building show attracts buyers from Iraq and neighboring countries including **Turkey, Saudi Arabia, Kuwait, Jordan, Lebanon, Emirates, Qatar, Bahrain, and Iran**. This wide regional representation ensures an unparalleled platform for networking and business opportunities, as private companies, high-level buyers, and government-state entities converge at the exhibition.

ERBIL BUILD EXPO goes beyond national boundaries to encompass the Middle East and Gulf countries, fostering collaborations and showcasing the collective potential of the region's construction industry.

IRAQ BUILDING SECTOR OVERVIEW

- The construction industry is expected to register an annual average growth rate of more than 6% during 2022-2025, supported by investments in transport, oil, electricity, education, and housing infrastructure projects.
- The government plans to strengthen the foundation for growth in key service sectors, with a focus on electricity infrastructure, water and sanitation, oil, transportation, and health in the country.
- The projects are implemented by the Government of Iraq with loan assistance from JICA, with the improve the economic and living conditions of Iraqi communities. Moreover, the government is also planning to include major infrastructure projects in the 2022 Budget, including combined cycle power plants, Baghdad Metro (expected to commence the construction work in 02 2022), Nasiriyah and Mosul airports, and infrastructure in Basra Governorate.
- The funds from World Bank(100 million USD), UKEF-British Export Finance Agency(30 million USD), Islamic Development Bank (28 million USD), JICA- Japanese Agency for International Cooperation(75 million USD), KFW-German Development Bank(20 million USD), French Government and French Development Agency(10 million USD) contribute the growth of Iraq's construction market and expand the building industry
- Ministry of Construction, Housing, Municipalities, and Public Works on the Iraqi state budget of 2021 were as follows: 400 billion IQD in operational costs and capital of 1.3 trillion IQD. There is also an additional capital of 186 billion IQD divided among several projects such as 50 billion IQD for the Roads and Bridges Committee to rehabilitate the Baghdad-Kirkuk Road, 20 billion for the construction of Hamreen bridge, 40 billion IQD for the Western Diyala project (Al-Gatoon), and 90 billion IQD added to the allocated funds for the Samarra sewer project. All of which amounts to a total of 1.786 trillion IQD (Iraqi State Budget, 2021). The funds dedicated to the Ministry of Construction, Housing, Municipalities, and Public Works, are needed due to the overwhelming 28.7 trillion IQD deficit in the Iraqi state budget.
